3.0 GENERAL INFORMATION

- A permit is not required to peacefully demonstrate at an event at the Facilities.
- Person(s) or group(s) must obey all city and state laws (i.e. not obstruct flow of traffic, refrain from disorderly conduct, etc.)
- Please see attached map (page 4) to locate the Free Speech Zones at the Facilities.
- The Facilities reserves the right to reduce the number of Free Speech Zone(s) open at an event if there is demonstrable public safety or law enforcement need. The reduction would be the smallest level necessary to preserve safety and in no case would the number of Free Speech Zones be reduced below 1.
- Prior to your peaceful demonstration, please contact the Facility director, Wes Dickerson (843-529-5036) so that we may better serve you in directing you to the Free Speech Zone(s).
- The Facilities appreciates your cooperation.
